

Challenging
Girls to Think
Differently

NatWest Dream Bigger is a programme aimed at creating a generation of strong, empowered women of the future by inspiring young women to understand their potential and to strive to achieve in their chosen area of interest.

The programme led by our Entrepreneurship team offers young girls an opportunity to develop valuable future skills aligned closely with the Gatsby benchmarks through this fully funded initiative.

As an organisation, NatWest recognises that the future of work is changing and we have an opportunity to share our experience with young girls, giving them an introduction into some of the softer skills that we successfully use within the NatWest Entrepreneur Accelerator.

We have developed two programmes aimed at:

10-14yrs 14-18yrs

The programme will cover:

- Purpose start with your 'Why'
- Mindset developing growth mindset
- Self awareness understanding your inner critic
- Leadership key leadership skills
- Creativity creative thinking strategy
- Communication 60 second pitching

Aims of the programme:

- Challenge girls to think differently
- Build future capability, confidence and resilience
- Encourage women into entrepreneurship
- Empower the next generation of leaders
- Support young women to reach their potential

The programme can be delivered in the following ways:

Digital modules:

Online resources available to schools introducing the girls to some of the softer tools and techniques we use within Entrepreneurship education.

Lesson plans:

Downloadable lesson plans and teaching resources to support teachers to deliver the topics most relevant to them.

Live event:

Designed to activate a selection of tools and techniques from the digital modules and challenge the girls to think differently, the live event will run from 9am-3pm and can be delivered in schools or at one of our 12 Entrepreneur Accelerator hubs across the UK
