

# APPLY NOW FOR PLACED ENVIRONMENTAL ACADEMY!

an exciting FREE programme about the built environment and sustainability

- In year 9, 10, 11 or 12?
- Interested in design, the built environment, climate change or making a difference to where you live?
- Want to meet new people, develop skills and make your CV stand out?

YES!

If yes, then PLACED Academy is for you!

- It's a programme of creative workshops, community events and activities will get you ready for your next steps
- You'll explore how the design of our buildings and spaces can help to tackle climate change
- It will be shaped by YOUR skills and interests
- You'll be mentored by professionals and students, giving you a unique insight into careers
- Sessions will be outside of school hours, in Liverpool and online between June and November
