

Merseyside Community Training

Social Environmental Impact

Merseyside Community Training Ltd (MCT) is a not-for-profit social enterprise that cares about the Liverpool City Region and is ambitious for its future. MCT was established in 2016 with the primary intent to help the most disadvantaged people from the Wirral area.

MCT works alongside other small social enterprises and aspiring entrepreneurs who share the ambition of working towards a sustainable environment through innovation and connectivity.

MCT look to support those most in need into employment, offer business start-up advice, facilitate training and work placements in partnership with the Department of Work and Pensions and intermediate Labour Market teams across Liverpool City Region.

MCT aspires to change lives for the better through employment, support and mentoring and will work for a sustainable future for the Liverpool City Region.

Youth Employment Hub

The Hub is accessible to all young people aged 16-24 to access employment and training support with a vision of then progressing onto a positive destination. The Hub embraces a collaborative approach by working with a host of partner organisations and key stakeholders to ensure that members have access to the best possible provision to support their individual needs.

They will gain access to:

- A workstation with free Wifi
- Career guidance and support
- Workshops and career talks
- MCT Digital Community Campus
- Vocational Library
- Employment opportunities
- Events
- Mentoring / Coaching
- Training

*Referral via your DWP work coach

Onsite Facilities

Here at MCT we are able to offer a selection of onsite training and development opportunities, as well as social facilities for members of MCT and the wider community to access.

Below is a list of what is available at MCT:

- Community Café
- Community Food Bank
- FTW Warehouse
- Forklift truck training
- Hype Urban Bikes
- Web-Design
- Free WIFI
- Volunteering opportunities
- Youth Employment Hub
- Young Entrepreneurs Academy
- Career advice and guidance

Young Entrepreneurs Academy

The Young Entrepreneurs Academy provides young people aged 16-24 with a passion to build their own businesses and an opportunity to experience life as a successful entrepreneur.

The Young Entrepreneurs Academy aims to help young entrepreneurs succeed by twinning them with successful entrepreneurs via a blended approach. The Academy programme is tailored to the learners needs and will provide practical solutions for the most vulnerable and ambitious people.

They will gain access to:

- A workstation with free Wifi
- Career guidance and support
- Workshops and career talks
- MCT Digital Community Campus
- Vocational Library
- Employment opportunities
- Planned training sessions
- A designated mentor
