WHAT IS THE LIVERPOOL CITY REGION SKILLS SHOW?

Brought to you by Apprenticeship Support by Be More and funded by the European Social Fund and Strategic Investment Fund, the Liverpool City Region Skills Show is completely free to attend and is taking place on 18 January 4:30pm - 7pm and on 19 January 9:30am – 3pm at Exhibition Centre Liverpool. Visiting the Liverpool City Region Skills Show is a unique opportunity for you to discover apprenticeships and wider career opportunities, all through hands-on activities, advice from industry experts and conversations with employers.

The twilight session taking place on 18 January will provide the broader community and parents and carers of 14 - 19 year olds with a dedicated session to attend. This session is open for all residents who want to know a bit more about what opportunities there are in their area. During this time, presentations will be given on the Future You stage and visitors will have the opportunity to engage with exhibiting employers and training organisations to seek advice and learn more about any vacancies and other opportunities they are offering.

The full day on 19 January is aimed at bringing together larger school groups, along with teachers, career advisers and other educational professionals from the Halton, Knowsley, Liverpool, Sefton, St. Helens and Wirral areas. Along with local employers, apprenticeship providers, colleges, universities and careers providers all under one roof, we also welcome individuals to attend this full day to find out more about their future career opportunities.

Why visit the Liverpool City Region Skills Show?

The Liverpool City Region Skills Show is the perfect arena for you to engage with a vast array of sectors, alongside local Further Education and Higher Education providers. Hands-on activities delivered by our exhibitors, will open up the world of work and help you to start your journey in finding out what your local area has to offer.

Benefits to attending:

- Raises aspirations, motivates and increases your confidence.
- The valuable chance to attend a live, face-to-face careers and skills event, after a long period of near isolation from this type of opportunity.
- Meet and engage with employers and employees face-to-face about a range of learning, job and training opportunities to help you build on your future career plans.
- Apply for the very latest vacancies posted by exhibiting companies.
- Get involved in hands-on activities and demonstrations that will inspire and motivate.
- Interact with role models, influencers and alumni who will be happy to share stories of their own career journeys and lessons learnt.
- Gain current labour market information on current and future jobs and the qualifications and soft skills employers really want.
