

**REQUEST FOR QUOTATION FOR ABRASIVE RECOVERY AND
CLEANING SYSTEM FOR USE WITH STEEL ABRASIVE**

Background

Commercial Colours Ltd (CCL) are an established commercial vehicle body in the northwest and North Wales. We carry out crash repairs on all sizes and types of commercial vehicles plus painting of new and used commercial vehicles. Our client base consists of owner drivers and small operators right up to the major fleets that are seen on Britain's roads every day. Due to increased demand, we are looking to expand our operation into a larger site.

Requirement

We require a recovery and cleaning system for use with steel abrasive used in a large commercial vehicle shot blast bay 15m x 6m.
Price is to include all civils and connections to points provided.

Deliverable Timescale

We expect the project to commence no later than 1st March 2022, and to be completed by 31st May 2022

Evaluation Criteria

Quotations will be assessed and scored on the following criteria:

Cost 10%

Does supplier offer value for money. This will not necessarily be the cheapest quote

Deliverability Within Specified Timescales 20%

Supplier must demonstrate they can deliver the requirement to timescales above

Meeting Specification Details 40%

Supplier must demonstrate all specifications met

Supplier Suitability 30%

Supplier must demonstrate they have the technical capability and experience to deliver the requirement

Scoring Methodology

4 Excellent	Proposal meets, and in some places exceeds the required standard
3 Good	Proposal meets required standard

2 Acceptable	Proposal meets the required standard in most respects, but is lacking or inconsistent in others
1 Poor	Proposal falls short of expected standard
0 Unacceptable	Completely or significantly fails to meet required standard or does not provide the relevant answer

Proposal Format

Proposals should clearly demonstrate how they meet the requirement set out above.

Deadline and Submission

Proposals for consideration are required by: 5pm 2nd December 2021 either electronically or by post to:

- 1) This project is part funded by the European Regional Development Fund. Under current Public Procurement Regulations there is no formal tender procedure, but a detailed written quotation is required**

2) Conditions of Tender

Please be aware that due to the relatively low indicative budget for this work (i.e. less than the current OJEU limits) there is no regulatory obligation for us to provide feedback if you are unsuccessful.

We reserve the right to discontinue this tender process at any time and not award a contract.

You will not be entitled to claim from us any costs or expenses which you may incur in preparing and/or submitting your Tender at any stage of this exercises. This applies whether or not your organisation is successful.
