Evaluation Criteria

Quotations will be assessed and scored on the following criteria:

Cost 20%

Does supplier offer value for money. This will not necessarily be the cheapest quote

Deliverability Within Specified Timescales 30%

Supplier must demonstrate they can deliver the requirement to timescales above

Meeting Specification Details 10%

Supplier must demonstrate all specifications met

Supplier Suitability 40%

Supplier must demonstrate they have the technical capability and experience to deliver the requirement

Scoring Methodology

4 Excellent	Proposal meets, and in some places exceeds the required standard
3 Good	Proposal meets required standard
2 Acceptable	Proposal meets the required standard in most respects, but is lacking or inconsistent in others
1 Poor	Proposal falls short of expected standard
0 Unacceptable	Completely or significantly fails to meet required standard or does not provide the relevant answer

Proposal Format

Quotation proposals should clearly demonstrate how they meet the requirement set out above.

Deadline and Submission

Proposals for consideration are required by formal quotation **no later than December 20th 2021**, either electronically or by post to:

jcorcoran@gtbcomponents.co.uk
