

HCA Apprenticeships

Are you interested in starting your career with Liverpool Hospitals NHS Foundation Trust?

Do you want to earn whilst you learn and gain a qualification?

We are looking for enthusiastic Health Care Assistants to join our friendly departments within the Trust, to provide a high standard of nursing care within the acute setting. These posts will be initially located on various wards within the Trust, to gain skills and knowledge ready to work in the state-of-the-art new Royal Hospital.

This Trust is an exciting and rewarding place to work. Successful applicants will be offered full support in settling into your new role offering a full and comprehensive training and induction period. You will be assigned to a mentor who will guide and support you through your learning and development.

Additional Information

- 37.5 hours a week, shifts covering 7 days a week and will include weekend and bank holidays.
- Positions available from July 2022
- Apprenticeship Salary £12,982 with the potential to earn £18,546 on completion of the Health qualification
- No prior health experience required
- Age 16 +
- Level 2 or 3 Health Qualification to be undertaken
- Programme length is 18 months to 2 years
- A minimum of 27 days' annual leave per year, plus 8 days for bank holidays.
- Pension scheme
- NHS discounts across various shops/restaurants and services
- Career opportunities (such as our TNA or nurse degree apprenticeships)

Main Duties of the Job:

As a HCA you will provide personal care and support to patients at their most vulnerable times. You will work alongside a multidisciplinary team to provide a compassionate, caring and safe environment for our patients.

Some of your duties will include;

- Assist patients in meeting their hygiene needs and carry out all aspects of personal care and support (to include emptying catheter bags).
- Assist in the prevention of pressure sore development as directed by the Registered nurse in conjunction with the patient's plan of care.
- Enable patients to maintain/improve their mobility by use of exercise and mobility appliances as directed by individual care plans.
- Undertake a range of clerical duties in the absence of or in support of the Ward Clerk to ensure a smooth running service

If you are caring individual and your values align to ours (Caring, Fair and Innovative) please consider applying!
