You are being offered assistance under the European Commission's De Minimis State Aid Regulations (Commission Regulation (EU) No. 1407/2013 OJ L 352/1 of 18 December 2013). The regulations allow a company to receive up to €200,000 (at applicable exchange rate) of De Minimis Aid over a rolling three-year period. The following information is a mandatory requirement to enable you to receive support from the LCR High Growth Programme.

To confirm that you are eligible to receive this assistance you must declare the full amount of De Minimis Aid / UK Subsidy you have already received over the last 3 fiscal years.

The following is not a comprehensive list of possible forms of aid; however, it should give an indication of the most common forms of aid which you may have been given over the past three years. If they are unable to say or there is any uncertainty, assume that it was De Minimis aid unless its value exceeded €200,000 in which case it cannot have been De Minimis.
