## REQUEST FOR QUOTATION

To supply Welding machines across all applications to expand our hire fleet

### Background

Kay Welding is one of the largest distributors of welding equipment & accessories in the North West of England. It has long been established for 43 years and continues to evolve & adapt to meet customer demand. Recently Kay Welding has added a sister company to its business model, "K-Hire" which supports the engineering, construction & fabrication industry with rental machines.

K-Hire is looking to undertake a significant investment project to add a substantial amount of new welding equipment into its hire fleet to support both existing & new customers as it looks to grow and become more established within the welder rental market.

### Requirement

Kit Required as follows:

Plasma Cutters

200amp ac/dc TIG Inverters

200amp MIG Welders

300amp MIG Welders
