Apprenticeship and Technical Vocational Education within Construction Sector Invitation to Tender

Questions and Responses

1. Is there a tender proforma we need to complete?

There is no standard template.

2. In terms of delivery – as the participants are still in school how many days per week would the students be allowed to be released for?

The students will still be in school so realistically looking at 1 day per week for delivery.

3. Are you looking for delivery LCR wide or looking for a certain area?

In terms of community and target audience we are looking for a programme that could deliver to a specific cohort within a certain area based on the information provided.
