REQUEST FOR QUOTATION

2022 Efficiency Project

4 Metre CNC Overhead Router

Solar Panels to St Helens Facility

Background

Widd Signs established the St Helens facility in Jan 2020 and have been developing the site and workforce to be a leading signage design, manufacture and implementation across, Commercial, Residential, Retail, Education Health & Welfare.

We have recently updated our Metalworking area to take larger capacity panels up to 4mtr. This has in turn lead to the requirement to upgrade / add a further CNC and increased energy consumption.

Requirement

4 Metre CNC to match with the other metalwork machinery, increasing our offer and ability to cut and fold panels up to 4 meters.

With the new and replacement machinery we see an increase in our energy consumption, to offset this and in line with our environmental and sustainability plans we want to add Solar Panels to the facility to offset the increase and reduce our overall consumption from the national grid.

Deliverable Timescale

We expect the project to commence no later than Jan 2023, and to be completed by April 2023

Indicative Budget – 4mtrs CNC Overhead Router circa (£85,000 - £95,000)
Solar Panels circa (£90,000 - £110,000)

Evaluation Criteria

Quotations will be assessed and scored on the following criteria:

Cost 30%

Does supplier offer value for money.

Deliverability Within Specified Timescales 30%

Supplier must demonstrate they can deliver the requirement to timescales above

Meeting Specification Details 25%

Supplier must demonstrate all specifications met

Supplier Suitability 15%

Supplier must demonstrate they have the capability to deliver the requirement

Scoring Methodology

4 Excellent	Proposal meets, and in some places exceeds the required standard
3 Good	Proposal meets required standard
2 Acceptable	Proposal meets the required standard in most respects, but is lacking or inconsistent in others
1 Poor	Proposal falls short of expected standard
0 Unacceptable	Completely or significantly fails to meet required standard or does not provide the relevant answer

Deadline and Submission

Proposals for consideration are required by: 12 noon on 7 December 2022 either electronically or by post to:

Phil Bamford – phil.bamford@widdsigns.co.uk 01744 815005

- 1) **This project is part of the Liverpool City Region High Growth Programme, and is part funded by the European Regional Development Fund. Under current Public Procurement Regulations there is no formal tender procedure, but a detailed written quotation is required**

2) **Conditions of Quote**

Please be aware that due to the relatively low indicative budget for this work (i.e. less than the current OJEU limits) there is no regulatory obligation for us to provide feedback if you are unsuccessful.

We reserve the right to discontinue this quote process at any time and not award a contract.

You will not be entitled to claim from us any costs or expenses which you may incur in preparing and/or submitting your quote at any stage of this exercises. This applies, whether or not your organisation is successful.
