

**REQUEST FOR QUOTATION FOR ENGINEERING SERVICES AT VANS NORTHWEST LTD, HAYDOCK LANE, ST HELENS, WA11 9UY**

**Background**

Vans Northwest Ltd is an established commercial vehicle dealership based in St Helens. The company intends to undertake a significant investment project to build a new showroom next to the existing site. This involves the design, construction and fit out of the new building.

**Requirement Summary**

The engineer will be required to supply design engineering Services for the full project including Drainage, foundation and steelwork and ancillary construction.

Further details and site visit arrangements can be requested from [john@vansalesnorthwest.co.uk](mailto:john@vansalesnorthwest.co.uk)

**Deliverable timescale**

We expect the project to commence no later than December 2023 and to be completed by the end of May 2023.

**Indicative budget**

Cost control is essential for this project and costs are expected to be between £10,000 and £14,000 depending on the materials used and speed of completion.

**Evaluation criteria**

Quotations will be assessed and scored on the following criteria:

**Cost 30%**

Does supplier offer value for money.

**Deliverability With in Specified Timescales 30%**

Supplier must demonstrate they can deliver the requirement to timescales above

**Meeting Specification Details 10%**

Supplier must demonstrate all specifications met

**Supplier Suitability 30%**

Supplier must demonstrate they have the capability to deliver the requirement

**Scoring Methodology**

4 Excellent	Proposal meets, and in some places exceeds the required standard
