

BIG HELP PROJECT

Request for Quotation

Equipment, Licencing Fee & Staff PPE

Background

Big Help Trading exists to give back to the community offering ethical shopping alternatives across the country. Our community shops stock home essentials and brand-new designer wares from Pots and Pans to Fridges and Freezers, all offered at affordable prices. We offer an ethical alternative to pernicious Rent-to-Own schemes with affordable financing through credit unions. Through Painting Green, we offer locally sourced, remanufactured paint, preventing waste and providing affordable, ethically sourced paint. Proceeds from our trading are directly channelled back into the community, supporting it in it's journey out of poverty through our charitable activities. This tendering process is for our Paint Remanufacturing/Recycling Project – Painting Green.

Evaluation Criteria

Quotations will be assessed and scored on the following criteria:

- Quality/ Technical Merit (50%)
Supplier must demonstrate they have the technical and professional capability to deliver the requirement.
- Delivery Timescale (20%)
Supplier must demonstrate they can deliver the requirement to timescales above.
- Cost/Value for money (30%)
Does supplier offer value for money. This will not necessarily be the cheapest quote.

Scoring Methodology

4 – Excellent – Proposal meets and, in some places, exceeds the required standard.

3 – Good – Proposal meets required standard.

2 – Acceptable – Proposal meets the required standard in most respects, but is lacking or inconsistent in others.

1 – Poor – Proposal falls short of expected standard.

0 – Unacceptable – Completely or significantly fails to meet required standard or does not provide the relevant answer.
